MARKET UPDATE

The Government Sukuk index (IGSIX) increased by +0.59% MoM. Indonesia 10 years' sharia government bond yield (PBS025) decreased by 3bps to 6.69%. During July 2024, the Indonesian government bond market managed to record positive performance amid global sentiment. Domestically, several economic data showed resilient and stable conditions amid global volatility. Economic growth in Q2-2024 grew by 5.05% YoY (vs 5.11% in Q1) driven by consumption and investment. Inflation in July 2024 continued to decline to -0.18% MoM/2.13% YoY (vs. -0.08% MoM/2.51% YoY in June), the second consecutive month of deflation due to normalization of domestic commodity prices, indicating weak domestic demand. The trade balance in June 2024 remained in surplus at USD 2.39 billion despite a decline compared to previous months (vs USD 2.93 billion). Meanwhile, foreign exchange reserves in June 2024 increased to USD 140.2 billion (vs USD 139 billion in May) driven by an increase in tax and service revenues and global government bond issuance. On the fiscal side, the state budget deficit widened to -0.34% of GDP or IDR77.3 trillion (vs. -0.10% of GDP or IDR 21.8 trillion in the previous month), amid low state revenue and high state expenditure especially for subsidies and compensation. Amid global volatility, Bank Indonesia decided to maintain the BI rate at 6.25% at its July 2024 meeting. BI seeks to maintain Rupiah exchange rate stability amid the risk of global pressures as well as pre-emptive and forward looking efforts to maintain inflation within BI's target. In the primary market, the government has conducted 3 SBSN auctions and 2 SUN auctions during July 2024 with total incoming bids of IDR 175.9 trillion. The government managed to absorb IDR 71.2 trillion or 33.1% of the Q3-2024 indicative target of IDR 215 trillion, consisting of IDR 46 trillion from SUN auction and IDR 25.2 trillion from SBSN auction. In addition, the government has also conducted SUN auctions through a debt switch mechanism with a total incoming bid of IDR 5.7 trillion with total funds absorbed of IDR 3.6 trillion.
